The UWAA manages a scholarship program that serves the university, by encouraging commendable graduating high school seniors and transfer students to obtain their college education.

The support of Scholarship Club members and auction attendees allows UWAA to provide four-year scholarships and single year awards to more than 50 deserving students with a commitment of over $100,000 annually.

Scholarships valued at $1,500 per year are awarded to Wyoming, out-of-state residents, undergraduate and graduate students. UWAA has awarded more than $1,000,000 in scholarships since 1980 and the program continues to grow.

All proceeds from the auction are used to fund the scholarship program and allowing Alumni and friends to help students achieve their dreams ... one scholarship at a time.
