Current UWAA Board Member:**
Elizabeth Rader Haigler

**Involvement with the UWAA:
Current UWAA Board Member,
2017 & Current**

**Degree(s) received from UW:
B.S. Political Science with Honors, 2010**
**What do you enjoy about being on the
UWAA Board of Directors? I love that
through the alumni association, UW
alumni and supporters can find
multigenerational connections to UW in
their local community, no matter how
close or far from Wyoming they live.
Serving on the board gives me a direct
impact to increase support for alumni
giving and awareness for UW's needs**

**as well as increased ways to engage with current students through
mentorship and professional opportunities. UW gave me so much, it's an
honor to help give back.**

**What is your favorite board memory or favorite UWAA memory? I have
loved serving on the scholarship and awards committees. It has been a
wonderful experience to give support to students to continue their
achievements through scholarship funds and to recognize alumni and
community members who have made contributions to Wyoming and
beyond. I appreciate we can celebrate Wyoming Cowboys making a
difference all over the world.**

What advice would you give your younger self?

**I would advise my younger self that your timing and journey through life is
your own, don't worry about anything else. Just say 'yes' to every
opportunity that comes your way. No responsibility, job or task is beneath
you. Every experience will get you ready for the next thing. The process that
you'll be going through will shape you into who you will be. Every little path
you have to go through will lead you exactly where you should be. Enjoy the
journey.**
