Limited-term Dairy Science Instructor, Purdue University Department of Animal Sciences.

The Purdue Department of Animal Sciences is seeking a limited term (1 – 2 years) part-time or full-time Instructor of Dairy Science. The successful individual would be responsible for classroom, laboratory, and field instruction for courses related to Dairy Production and Dairy Farm Evaluation. Dairy teaching responsibilities alone would constitute a ½ time, 10-month position; however additional teaching responsibilities, research (postdoctoral) and/or Extension opportunities may be available to constitute a full-time, limited term position, depending upon the level of experience and preference of the successful candidate.

Requirements: MS or PhD (preferred) in Dairy Science, Animal Science or closely related field. Anticipated starting date is August 24th, 2015.

Salary: Commensurate with experience.

Applications: Candidates should submit electronically a letter of application outlining experience, goals and qualifications for this position; a detailed curriculum vitae; official transcript of highest degree; and the names and contact information for three references for which we may solicit letters of reference. These materials should be sent to agmathew@purdue.edu. A background check is required for employment in this position. Questions should be directed to:
