The Community

Jefferson County (Pop. 22,445) is located in central Oregon in a high desert climate east of Mount Jefferson and Mount Hood. Jefferson County’s seven communities: Madras, Metolius, Culver, Warm Springs, Three Rivers, Camp Sherman and Crooked River Ranch are unique and share a common desire for a vibrant future. Jefferson County’s largest city is Madras (Pop. 6,265) and serves as the County seat and gateway to Central Oregon’s vast selection of outdoor recreational opportunities.

Jefferson County’s low-humidity climate offers over 300 days of sunshine and only receives 13 inches of precipitation per year. Although the climate is dry, Jefferson County is home to a vast variety of agricultural crops that thrive in dry sunny days and cool evenings.

Abundance of outdoor recreation. The Cove Palisades State park offers over 4,000 acres of surface area for boaters surrounded on both sides by massive basalt rim rock canyon walls. Located within 70 miles of four ski resorts (Timberline, Mt. Hood Meadows, Hoodoo, and Mt. Bachelor) and 30 different golf courses. The local area offers plenty of opportunities for hunting, hiking, fishing, camping and boating.

The community offers a hospital, library, community college branch campus, movie theater (5-plex), drag strip, circle track, skateboard facility, and indoor aquatic center. Madras is located just 30 miles from Redmond which has a regional airport that offers daily departures to Seattle, Portland, Denver, Salt Lake City, Los Angles, and San Francisco. Only 40 miles to the city of Bend makes it easy access to major shopping, specialized medical care and other amenities.

The County Organization

Jefferson County is a general law county that is governed by three part-time County Commissioners who each serve four-year terms. The commissioners are non-partisan. The County has an elected Assessor, Clerk, District Attorney, Sheriff, Surveyor and Treasurer. Other non-elected major departments (appointed department directors) include: Finance, Public Health, Juvenile Justice, Community Development, Public Works, and Adult Probation. Other appointed officials include the County Administrative Officer and County Counsel. The 2015 adopted budget for the County is $46 million and there are approximately 135 FTEs.

The Jefferson County Fair Board is appointed by the Board of County Commissioners. The Fair Board is made up of 5-7 residents of Jefferson County. Oregon State law (ORS 565) gives operational jurisdiction directly to the Fair Board for the fair grounds and annual county fair. The Fair Board and County Commissioners have an Intergovernmental Agreement requiring all employees who work at the fair complex be county employees as opposed to Fair Board employees.

The Position (summary, see job descriptions for detailed requirements)

The position of Events Coordinator is a new position. The current Fair Coordinator is leaving after 9 years of service. The incumbent has left the organization with a cash reserve by focusing on fiscal constraints going into and coming out of the “great recession.”

The Board of Commissioners and Fair Board have modified this position in order to bring it completely within the Buildings & Grounds Department. This position is a union position and is not exempt from overtime.
The position will coordinate the daily operation of the fair complex, supervise assigned staff and volunteers. This position is responsible for the annual County Fair and various events throughout the year; responsible for attaining maximum use of fair complex; requires a “hands on” person who can represent the Fair Complex as an effective leader.

The ideal candidate is someone with a history of organized creative thinking in coordinating operations, maintenance, marketing and events with a high level of customer service and community oriented problem solving.

Working with the Fair Board to determine the “right price” for rental charges is an immediate challenge.

- The annual county fair went to a free admission format three years ago. While attendance and net revenue is up, the challenge is to provide the entertainment value to draw customers into multiple-day visits.

- The fair complex offers a year-round covered equestrian facility, but is aging and will need upgrades in the short term.

- The position must balance receiving assignments and goals from an appointed (volunteer) Fair Board within the framework of the county purchasing/contract rules and keeping the Buildings & Grounds Director informed of their prioritization of workload demands.

- Strong community connections are needed to be successful at obtaining the needed donations/sponsorship of annual fair events. The ability to cultivate relationships in order to be successful in soliciting and receiving private donations is paramount.

**Education and Experience**

College degree in Management or Public Relations, or three years experience working in a Fair or Fair Complex environment, event coordination, event promotion, facility marketing, or a combination of related experience. Experience in fair operations, 4-H and an agricultural background is preferred. Or, a satisfactory combination of education and experience, as determined by the hiring authority, that demonstrates the ability to successfully perform the essential duties and responsibilities of this position.

**Compensation & Benefits**

- $35,318 to $45,739 per year DOQ and if employee is a county resident (one extra pay grade)
- Medical, Vision and Dental Coverage and an employer contribution to a VEBA (health care) account
