Your membership support enhances the cultural life and education of Wyoming’s students, citizens, and visitors. Being a member offers many benefits, but most importantly you are also supporting Wyoming’s only academic art museum!

Membership dollars provide essential, unrestricted funds that support a range of Art Museum programs and initiatives. From Outreach programs like the Ann Simpson Artmobile and the Regional Touring Exhibition Service, to our Museum as Classroom initiative, which places art at the center of learning for pre-K through 16 students, your membership contribution provides critical funding for these programs. At the heart of Art Museum programming is the permanent collection, which continues to grow with over 8,000 objects, as well as an exciting rotation of exhibitions that range from Western art, to contemporary art from regional, national, and international artists. The UW Art Museum brings the world of art to Wyoming, and we couldn’t do it without your support! Thank you for your contribution!
