**Applicant: ASUW Executive Branch**

ASUW was fundamental in setting up the Union Meditation room, these improvements help create an environment more conducive to relaxation and meditation by adding furniture, rugs, and lamps.

**Applicant: ACRES Student Farms**

ACRES collects compost from a number of locations on and around campus. ACRES has seen an increase in the interest related to their compost pickup system. This allocation allows for the purchase of new bins to replace and add to locations for pickup.

**Applicant: Catherine Applegate**

This allocation is in partnership with UW Facilities to create a useful space on Sorority Row where the former Pi Kappa Alpha house was torn down. This green space addition to campus is a location where students can convene, hangout, and relax. These additions will be made in consideration and collaboration with the surrounding chapters facilities, the College Panhellenic Council, and the Resident Housing Association.

**Applicant: UW Admissions**

Admissions seeks to add UW gold Adirondack chairs to spaces around Prexys Pasture on campus. The goal is that these 12 chairs invite groups to sit and converse while enjoying our beautiful campus year-round.

**Applicant: Campus Recreation**

BOGAFIT mats are floating yoga mats that allow for workouts that focus on core muscle groups and improving coordination and balance. These workouts will be added to the Campus Recreation offerings and allow students a unique way to seek a healthy lifestyle.

**Applicant: Jaynie Welsh**

This allocation, in conjunction with the City of Laramie, will install LED crosswalk signs on 9th street adjacent to the Classroom building. This street sees high traffic of students crossing, the LED crosswalk would increase safety and visibility at night and in times of inclement weather.
