

ASUW President

Report Nov. 29

Programmatic Fee Implementation Committee: The ASUW representatives for this committee are Daniel Kerbs for the College of Engineering, Jaynie Welsh from the College of Ag and Rachael Lafaso of Freshmen Senate. We are still looking for a SAL but if one cannot be found we will allocate that seat to another senator.

Election Commissioner: Chelsey Sleight will at the Nov 29 meeting as my appointment for the Election Commissioner position for the Senate to confirm. Her application, cover letter and resume are all on the One Drive.

Freshmen Senate Student Advisor: I have received the applications for Freshmen Senate Student Advisors and will be conducting interviews next week and will have a candidate ready to present at the first meeting of the spring semester.

Appointments: I am continuing to fill appointments for university committees. So if I have sent you an email please respond back and if you are interested please reach out to me and can start the process on getting student voice on a variety of committees that affect the spectrum of activities at the University.

Closed Office Hours: I will be having closed office hours from 9-11 on Wednesday. I will be in the office but will not be taking any visitors for that time.

Office Hours: I encourage everyone to come down to the office and get to talk to the Executive team and myself. My office hours are listed below and can make appointments other than that if you have any questions, concerns or anything you would like to discuss. I may also be out of the office for extended time due to finals week as well.

Happy Holidays!

Love,
-Tyler Wolfgang

Chief of Staff

- Senators, my report won't be too different from the past couple reports I have had in the past. Like mentioned in previous report I have worked on scholarships and spreading the news and getting people to apply for it. Make sure all of you apply since all of you are doing a great leadership service by serving in senate. Make sure you also spread the word to other students around campus to make sure they know about it. Lastly I'm having all of the executives to write ASUW a transition documents for this semester. Doing so will allow them to recall all of the tasks they have done with a fresh mind. Like always please get in contact with me if you have any questions or concerns.

Director of Finance

- Credit with UniWyo was very successful with 19 people attending. The speakers were very informative, and the audience were genuinely interested in what they were saying. Also, I will be working a lot on Financial Literacy Month,

- which will be taking place during February. We will have one event a week with a speaker being the last event. I will have more information about Financial Literacy Month as it gets closer.

RSO Relations

- Hello Senate, this semester in terms of Funding Board money will end: (allocated, not spent)
- **Conference Registration-** **Funding Board Events-**
- Allocated: \$10,428.00 Allocated:
- \$69,392.91
- Remaining: \$3,632.00 Remaining:
- \$69,607.09
- As mentioned last week, here are the last few events this semester to attended:
- **12/1/2016:** Porn Dies at 7220 (a new RSO!) is hosting “How Porn Harms: Jenna Divis” on Thursday in BU 129 from 7-8pm. Come out and hear a unique perspective on pornography from a victim of abuse by it, remember that sometimes topics that make you uncomfortable or unsure can lead to a very open-mind and new way of seeing things.
- **12/3/2016:** Wyoming eSports Club will be putting on “Fall LAN”, which is a big video game tournament open to the public, offering free food and prizes. This event will be held 11am-12am in the Union Skylight Lounge, obviously for a pretty long time into the evening so hopefully at some point you’ll be able to drop by! Every Friday is International Coffee hour as well. Funded by ASUW
- If you have any questions regarding any numbers or processes, as always, feel free to come in and I will be as transparent as I can be. Thank you and best of luck on finals!

Director of Marketing

“I apologize for my lack of report in the email, I was out of the office Thursday-Monday the week before Thanksgiving and it slipped my mind. I have been working on several UW Stories Profile interviews and you will see those up in the next week. Please fill out that survey and share it with any groups that you are a part of on campus. I will be working on these over Winter Break. The week before Thanksgiving, we had a successful Student Success Listening Session with 50 students attending. We will be having another event during the evening hour next week, so be on the lookout for that date and time. Also, there’s free food and I know how much all of us are struggling money-wise. We are having a planning session for a UWyoGuide Publicity Event next semester, so I will bring more details on that to all of you in the near future. I have started working with UMC on the Drag Show, but please buy tickets and share that information on social media. This is a great on campus event and I hope you all will attend next semester. Finally, December’s Sources of Strength wedge is “Family Support!” I know a lot of you will be attending the game this weekend with your families or have people coming in for the game. This is a perfect opportunity to get your social media outreach service hours, since this is our sole vehicle for getting these points since we switched senate in a minute to a more digital friendly format. Hope you all had a great break and hope these next couple weeks don’t cause you too much stress. I want to thank you all for supporting me and helping me as we change some

aspects of our marketing outreach and showing me the ropes of ASUW. You all have truly become part of my family ☺”

Director of Governmental Affairs

Next week on Tuesday the 6th of December is the ASUW Governors Reception. We will be picked up outside of Coe Library at 4:45 on the UW Fine Arts Bus. That said, please meet there around 4:40 so that we can be loaded up and on our way on time. Let me know by noon Wednesday if you need an Authorized Absence to make that work. If you cannot attend, please also let me know ASAP.

This is a professional dress occasion, and if you have an ASUW nametag you need to wear it. If you do not have an ASUW name tag, email me and we will get you one ordered, and have a temporary one for you for the dinner.

Vice President Axelson, Dean Blackburn and Adviser Snyder have been invited by the President’s office, and they and president Nichols will be attending.

Do not forget the President’s reception at her house on Thursday. Refer to the invitation.

Director of Programming and institutional development

- I have been working mostly on administrative duties this week to finish up the semester. ASTEC Ad-Hoc will continue to meet one more time this semester and will be splitting up organizations and university departments that ASTEC works with to see what impact changing ASTEC will have on each party involved. I also need Programming to fill out an evaluation that is past due, if any members on the Programming Committee have any questions please let me know.

Director of Diversity

- Over the past week(s), I was able to attend the University’s reception honoring the local LGBTQ+ community and allies with Vice President Wolfgang, having the opportunity to discuss issues of diversity with prominent university individuals. I have also been assessing the recordings and minutes of the second listening session on Diversity, Inclusion, and Internationalization, as well as sit in on a town hall for Multicultural Affairs, regarding similar topics. I am now beginning to prepare materials for the Campus Climate Survey, as well as coordinate with the Dean of Students to establish a reporting system/structure marginalized students are comfortable using, in addition to exploring options to declare the University of Wyoming as a sanctuary campus.
