Chief of Staff

- Hello Senate Family. Friday I hosted my last Parli pro session. If those time didn't work for you but are still interested in learning about Parli pro, please email me. Other than that I've been trying to get organize in life (LOL) but also in scholarships. If you have any questions about scholarships, please let me know. But at this point I'm just trying to make a timeline to get everything ready to go!

Director of Finance

This week I was working on changing the curriculum for First-Year Seminar to have a financial literacy component of each seminar. I contacted the head of the department, and we will have a meeting mid-November to discuss possible changes. Also, as part of the change of curriculum, we could use the Transit software system from EverFI, which is a FinanceEDU system that is used by many universities across the country. This can be incorporated into First-Year Seminar courses. Also, I contacted CSU to learn more information about their use of the program. This week I also contacted the College of Business to find out if there is a student-run investment program. If there is not, I would like to help create one here at UW because it would be great experience for students to run an investment portfolio of their own for others.

Director of RSO Relations

Hi senate, there is no new news from me this week other than, as mentioned prior, Funding Board meetings are slowing down for the semester.

There are three awesome, ASUW funded events for next week:

- 11/9/16: Abilities is putting on their second event of the semester, "Playing Games for Therapy". Dr. Novak's presentation will explore the field of virtual reality and its uses for physical rehabilitation, accompanied by McAlister's Deli. This will take place in the Union Family Room from 11am to noon.
- 11/9/16: Hot Chocolate with Her campus will take place in Simpson's Plaza from 8am-10:30am. Come out, stay warm, and meet the wonderful women of Her Campus and learn all about this new, up-and-coming RSO. The hot chocolate will be from Turtle Rock, so... good incentive.
- 11/11/16: Estelle Nadel will be speaking as part of an event put on by Hillel, she is a holocaust survivor and will be recollecting her personal accounts and answering questions. There will be Kosher deli meat served for lunch, as the event takes place from 11am-2pm in the Union Ballroom.

Funding Board Account (as of 11/03/2016):

- Allocated: \$62,562.91
- Remaining: \$73,437.09

 - Exact dates and times listed here:

http://www.uwyo.edu/president/budget_planning/rec/

I’ve also marketed for the Service Exchange Endowment Scholarship (deadline November 11th), Credit with UniWyo (put on by FWC), and worked on furthering our UW Stories campaign, by interviewing 2 amazing people (namely Seth Jones and Ava Schuster). If you have anyone you think should be featured in our UW Stories campaign, please email me at asuwexc4@uwyo.edu. As said at last senate, I will be passing around sign-up sheets for Laramie Soup Kitchen, for us to give back to the community for our “Generosity” month of Sources of Strength. This will be on November 14th and 15th from 8-2. Lastly, we had a long and super insightful meeting at SOP this Thursday, and we will be furthering our education as a senate in the area of sexual assault. Paul Drake, the chair of SOP, will touch more on this at senate this week. This is a cause I’m particularly passionate about, and would love to see the full senate participate! Also, side note, I know digital sign still isn’t up. Having a Mac and having to update everything and working with IT has been a struggle to say the least, please bear with me as we get this problem worked out.

Director of Governmental Affairs

- Governors Dinner is December 6th, at 6 PM. I will get Authorized Absences for anyone who needs them.
- I have spent this week working on the Judicial Council Archives, organizing and prepping for digitizing.
- WASC Authorized Absences arrived. Check that out, yo.
- Common Read initiative, hoping to start some campus conversations here, perhaps mental health or sexual assault.
- Working on an efficient way to get all of our #2521 bills delivered. So we’ll do that.

Director of Programming

Last week I was able to update WyoVocal to make sure everything is up to date and to review all of the issues that have currently come up. Please remember that each issue only needs 150 votes to be assigned to an executive or a committee now. I also sent out several issues that had been planned in past administrations, but were then dropped after new administrations began. I also added CPH and IFC to UWyo Guide, although it still needs some more work. I also updated the guide, but I still need a few more senator's information in order to finish the update. I am continuing to work on programmatic bylaw revisions. If anyone has an opinions or if anyone would like to help me with this legislation, I would really appreciate help. I also created a survey for ASTEC which I am hoping will go out soon. Lastly, I was able to create the first draft for the evaluations for ASUW Strategic Partners. Please let me know if you would like to work with me on any of these initiatives, or if you have any questions or concerns.

Director of Diversity

Projects/Goals for this week:

-MLK Days of Dialogue: I will be attending next week's subcommittee meeting with Advisor Snyder on what progress has been done and what my duties in outreach and the march, rally, and supper will be, specifically.

Steps to complete these goals/people to contact:

-MLK Days of Dialogue: For the march specifically, I am continuing to contacting the core group of multicultural RSOs that hold themselves to standards of social justice and activism to make some signs and be part of the initial kickoff process for MLKDOD

-Institutional Diversity Work- I will be asking Macki, who is able to go to CoWPoC and MLKDOD committee meetings of ways that I can use my position to help these groups and their involvement, particularly with the CDO position.
