not run out of Article 3, § 36.

Article 3, § 36 of the Wyoming State Constitution is addressed first. Article 3, § 36 states that no appropriation shall be made ... to any person, corporation or community not under the absolute control or management of the State of Wyoming. The article clearly prohibits the use of state funds in any organization not under the absolute control or management of the State of Wyoming. The article is clear and unambiguous. A copy of both Article 3, § 36 of the Wyoming State Constitution and this interpretation of both Article 3, § 36 of the Wyoming State Constitution and this interpretation can be found in the appendix 5.

Since the specific issue raised before the ASWJC has not been previously decided by the Wyoming Supreme Court and the issue was directly one of whether Article 3, § 36 of the Wyoming State Constitution was violated because of the issues brought before the court, this petition is a question of whether Article 3, § 36 of the Wyoming State Constitution requires that Wyoming Community Development Authority, one of its boards, The Wyoming Supreme Court has held little opportunity to address the application of Article 3, § 36 of the Wyoming State Constitution.
