SENATE BILL #1161

Title: Funds to help ATA sponsor state FFA contest

Codification Number:

Introduced: September 7, 1976

Thesis: Funds to help ATA sponsor state FFA contest

Sponsors: Brad Willford, Mike Ryan

1. Be it enacted by the Student Senate of the Associated Students of the
2. University of Wyoming that ATA (Alpha Tau Alpha) be allocated funds
3. to sponsor Wyoming State Agricultural Mechanics Contest September 26-28,
4. 1976. Since the time this contest was originated, ATA has been the sponsor.
5. They have paid all the expenses with their own money; with the rise in
6. cost of the material needed the expenses can no longer be borne out of the
7. present treasury funds. The Agricultural Mechanics Contest is an annual
8. activity for the Wyoming Future Farmers of America (FFA). Thirty-seven
9. Departments of Vocational Agriculture are represented with approximately
10. 120 participants.
11. Materials and supplies are the main expenses incurred in sponsoring the
12. state contest. Primary costs include:

13. Totals: Arc welding	\$ 50.00
14. Oxy-acetylene	51.00
15. Agricultural structures	94.00
16. Tool reconditioning	84.00
17. Electricity	50.62
18. Machinery & Power	<u>156.00-</u>
19. Total	\$ 485.62

Referred to: FINANCE → DO NOT PASS 9-14-76

Date of Passage: DEFEATED Signed: _____ ASUW Senate Chairperson

"Being enacted on _____, I do hereby sign my name hereto and approve this Senate action. _____ ASUW President/"
