

SENATE RESOLUTION #1258

Title: Stadium Seating

Codification Number:

Introduced: August 31, 1978

Thesis: Moving of the student body section

Sponsor: Mike Hamer

1. Be it resolved by the Student Senate of the Associated Students of the
2. University of Wyoming that the student body section be moved to the west
3. side lower deck. On the basis that all seating facilities are equal in
4. the stadium, we, as the current student body, prefer the choice of sitting
5. on smooth fiberglass seats instead of our current splintering fiberglass.
6. We request, as the consumers of this University, that our University team
7. should have its bench moved to the west side so as to accomodate our
8. seating preference.
