Codification Number:

Introduced: January 27, 1981

Thesis:

Sponsor: Jesse Yeatts

1. Be it enacted by the Student Senate of the Associated Students of the
2. University of Wyoming that ASUW run a used book store in which books are
3. sold for students on consignment. The store would operate for two weeks
4. at the beginning of each semester. Students wishing to have books sold
5. would bring them in during the two week period and would set the price for
6. sale. If the book is sold the student will receive the amount of sale
7. set by the student less a reasonable commission for the store to cover
8. operating expenses. If the book is not sold it will be available to be
9. reclaimed by the student. After the first year the success and financial
10. status of the store will be reviewed. At that time a decision will be
