

SENATE RESOLUTION #1399

Title: Vocational Rehabilitation

Codification Number:

Introduced: April 24, 1981

Thesis:

Sponsor: Bill Hamel

1. Be it resolved by the Student Senate of the Associated Students of the
2. University of Wyoming that ASUW oppose the inclusion of the Vocational
3. Rehabilitation Program in the Social Services Block Grant in Aid Act as
4. such inclusion could result in a 45% budget cut for this program. Vocational
5. Rehabilitation trains handicapped people in order to return them to work
6. rather than supporting them by welfare. Many of these people are able to
7. attend college only with the help of the program and approximately 70
8. University of Wyoming students are receiving this help. We ask that they
9. receive the help they need to complete their education and to make a
10. positive contribution to our country.
