Dear Senator:

Due to discrepancies in the request by the Keepers of the Fire, I find I must veto the Senate Bill #1446 as passed. The discrepancies include:

- 1) the actual amount of funding needed
- 2) the statement concerning if ASUW funding wasn't received, the program (pow-wow) wouldn't be hindered
- 3) a facility has yet to be determined for the event to be held

I would like to further state that I fully support the pow-wow and the initiative the Keepers of the Fire have taken to provide a truly worthwhile program.

I will do whatever I can to provide any assistance ASUW can offer.
