

SENATE RESOLUTION #1452

Title: Vouchers

Introduced: September 1, 1983

Thesis:

Sponsor: Peter Van Houten

1. Whereas, students receiving financial aid or grants are given vouchers,
2. and whereas these vouchers can only be cashed at the University, and
3. whereas the student must then take the cash down to the bank and this
4. could lead to the theft or the misplacement of the money, whereupon the
5. student may have to quit school, Be it resolved by the Student Senate of
6. the Associated Students of the University of Wyoming that we recommend to
7. the UW Administration to give out checks that can be deposited directly
8. into a bank. Another solution might be the installment of student accounts
9. here on Campus.
