

SENATE BILL #1561

Title: Micro-computers

Introduced: February 16, 1987

Thesis:

Sponsors: Brent Muscutt, Mike Golden

1. Whereas the University of Wyoming is far behind other universities in
2. having students utilize micro-computers in their areas of study; and,
3. whereas graduates of the University are already experiencing difficulty in
4. obtaining employment due to this deficiency; and whereas prospective
5. students will decide to attend other institutions, and faculty will not be
6. receptive to jobs at the University of Wyoming unless this condition is
7. changed; and whereas the students of the University of Wyoming recognize
8. this deficiency, and want to stress the urgency of micro-computer expansion
9. here at the University of Wyoming; be it enacted by the Student Senate of
10. the Associated Students of the University of Wyoming that a referendum be
11. placed on the ASUW ballot during the spring general election to read: I
12. support a tuition increase for the 1987 Fall semester such that up to, but
13. not exceeding, fifty-thousand dollars (\$50,000) total (up to, but not
14. exceeding \$8/student) be made available to the Administration of the
15. University of Wyoming for the purpose of expanding and implementing
16. micro-computer usage here at the University of Wyoming. This fee increase
17. is contingent upon matching funds from the University of Wyoming
18. Administration. These funds will be used to insure that faculty and
19. students have access to micro-computers as needed for instructional
20. activities by: 1) establishing additional micro-computer pods; 2) to allow

21. "hands on" access to micro-computers by students during class; and, 3) to
22. insure that faculty and students can obtain assistance and support for
23. micro-computer hardware and software.
