SENATE RESOLUTION #1584

Title: "Endorsement of Student Ticket Pick Up Proposal"

Introduced: October 27, 1987

Thesis: Acceptance of a UW Athletic Department proposal requiring full-time UW students to reserve seats in student sections of the Arena Auditorium.

Sponsors: Jim Jarrard, Kevin O’Kane, Dan Dockham, Jim Egan

1. Whereas at least 1,000 seats reserved in the Arena Auditorium for full-time University of Wyoming students go unused by full-time students at each home basketball game; and whereas an estimated $50,000 annually would be generated for UW if unused student seats in the Arena Auditorium were to be sold; and whereas, in the past, it has been virtually impossible to stop the general public from moving into the UW student sections of the Arena Auditorium; and whereas students would no longer have to find student seating in an endangering and disorganized manner because student seating would be reserved; and whereas it is expected by personnel in charge of ticket sales to UW sporting events that most UW home basketball games during the 1987-1988 academic year will be sold out; and whereas it is not possible under the present UW ticket distribution system for full-time UW students to conveniently reserve and pick up seating tickets for themselves and their friends; and whereas full-time UW students would retain access to the total 5,025 seats in the Arena Auditorium currently available for full-time UW students up to 72 hours prior to home basketball games; therefore be it resolved by the Student Senate of the Associated Students of the University of Wyoming that the proposal developed by the UW Athletic Department requiring full-time UW students to reserve their seats in the designated student sections of the Arena Auditorium prior to the home basketball
22. games be implemented.

Referred to:  Student Living and Computer Services Committees

Date of Passage: November 3, 1987 Signed Luis Soliven
ASUW Senate Chairperson
