

Senate Bill #1614

Title: Senate Communications

Date: January 24, 1989

Thesis: This bill establishes two hours a week for Senators to meet with the other ASUW Senators and students in order to increase the effort to communicate within the Senate and ASUW.

Sponsor: Chris Spooner

1. Whereas the 1988-1989 ASUW Senate's Mission Statement reads, "We, the
2. ASUW Senate, in response to our obligation to serve students of the
3. University of Wyoming, commit ourselves to increase participation through
4. communication," and whereas this commitment of increasing communications
5. should not be just a mission or goal of only this year's Senate, but an
6. on-going charge of the Senates to come, and whereas Senators are
7. currently only accessible to the people that know he or she is a Senator,
8. and whereas there are many other students that do not know how to get in
9. touch with an ASUW Senator to voice his concern, be it enacted by the
10. Associated Students of the University of Wyoming that the president and
11. vice president, during the Summer internship, will construct a tentative
12. menu of events for the entire year, enough events that a senator may
13. participate two hours a week with constituents and giving senators the
14. opportunity to participate in increasing communication with constituents.
