Title: Advising Days Advocacy Resolution  
Introduced: November 8, 1988  
Thesis: Voice ASUW support for continuation of advising days  
Sponsor: Ken Worley

1. Whereas the advising days program allows students extra time to work
2. on class schedules without worrying about classes or meetings at the
3. same time; and whereas it also allows advisors two days free from
4. actual instruction in classes to concentrate their efforts strictly on
5. advising; and whereas, because of these reasons, advising of students
6. may be improved by advising days; be it resolved by the Student Senate
7. of the Associated Students of the University of Wyoming that it support
8. continuation of the advising days program.
