

Senate Resolution #1608

Title: Optional Typed Evaluations

Introduced: November 15, 1988

Thesis:

Sponsor: Jaimie Bright and Caitlin Long

1. Whereas the typing of all professor evaluations to protect student
2. anonymity in those cases where students have no opinion on the anonymity
3. issue is a waste of staff time and money, and whereas the evaluations
4. have no effect on student grades, and whereas the current economic
5. condition of the University of Wyoming cannot justify the enormous
6. monetary expenditure of typing professor evaluations, be it resolved by
7. the ASUW that the Deans of each college at the University of Wyoming be
8. called upon to have a box placed at the top of each professor
9. evaluation sheet. This box will be labelled "Please type" with this
10. statement printed by the box which reads, "NOTICE: This evaluation will
11. not be typed unless this box is checked." When the box is marked, the
12. professor evaluation will be typed to protect student anonymity. Further
13. be it resolved that this action take place beginning in the Fall semester
14. of 1988, and that Unireg 800, revision 6, Section 3, "Procedures for
15. Mandated Evaluation of Teaching," subsection C be revised to accom-
16. modate this addition.
