

Senate Resolution #1634

Title: Response to Athletic Department's Proposals

Thesis: This resolution responds to the proposals concerning the football ticket policy and charging \$4 for the first football game of the 1989-90 season submitted by the Athletic Department for ASUW Senate review.

Date: March 21, 1989

1. Whereas when the need may arise, the Athletic Department has not
2. guaranteed that each full-fee paying student who wants to attend a
3. football game will be allowed into the game; and whereas the Athletic
4. Department has not guaranteed that only full-fee paying students will sit
5. in the Student Section 2-7, thus allowing reserved ticket holders to
6. crowd the 6000 seat Student Section; and whereas the "Temptations" is not
7. a music group that appeals to a major portion of the full-fee paying
8. students who are being burdened for this performance by the \$4 and those
9. ticket holders who the "Temptations" more reasonably appeal to are not
10. required to pay any of the cost; and whereas the Athletic Department is
11. guaranteed \$4 from the majority of full-fee paying students who would
12. like to just come to the game, that they have already paid for in their
13. charged student fees; be it resolved by the Student Senate of the
14. Associated Students of the University of Wyoming that the Athletic
15. Department's Proposals #1 and #2 are not acceptable unless students who
16. do not attend "The Temptations" performance are guaranteed a refund.
