

Senate Resolution #1647

Title: Tuition Deposit

Date: October 24, 1989

Sponsors: Suzanne Taheri, Caitlin Long

1. Whereas a \$50 tuition deposit creates an unnecessary burden on the
2. majority of students at the University of Wyoming; whereas the benefits
3. of such a deposit would fall on a small percentage of students at the
4. University; whereas \$50 is a significant amount of money for many UW
5. students and whereas Financial Aid doesn't have the ability to waive this
6. fee for loan and scholarship recipients under current practice; be it
7. resolved by the Student Senate of the Associated Students of the
8. University of Wyoming that students should not have to pay any fee prior
9. to payment of tuition in order to retain a seat in a class which was
10. guaranteed by pre-registration. Further be it resolved that the ASUW
11. commends efforts to improve the registration process and encourages other
12. alternative approaches.
