

Senate Resolution #1657

Title: Legislature Block Grant Resolution  
Thesis: Conditional support of block grant proposal  
Date: January 23, 1990  
Author: Caitlin Long  
Sponsor: Kari Morgan

1. Whereas the Student Senate of the Associated Students of the University of
2. Wyoming passed Senate Resolution #1645 which supports a one-year tuition
3. increase for 1990-91, whereas ASUW support of the tuition increase is
4. "conditional upon this extra revenue being directed toward faculty and
5. staff recruitment, retention, and salaries," whereas some members of the
6. Wyoming Legislature Joint Appropriations Committee propose that the
7. University of Wyoming be given a block grant instead of line item
8. funding, be it resolved that the ASUW lend general support to the concept
9. of block grant budgeting CONDITIONAL upon the grant being sufficient to
10. meet the University's funding requests, especially in the areas of faculty
11. and staff recruitment, retention, and salaries. Be it further resolved
12. that the ASUW lend its support to President Terry Roark's decision to
13. seek a larger pay increase package than Governor Michael Sullivan has
14. requested.
