

Senate Resolution #1663

Title: Division I Athletics

Date: March 27, 1990

Sponsor: Paul Hesco

1. Whereas it has been suggested that the University of Wyoming athletic
2. department drop out of NCAA Division I competition and compete at a lower
3. level; whereas participation in Division I athletics has brought national
4. recognition to the University of Wyoming and its athletics in recent
5. years; whereas athletics at UW generate revenue through ticket sales and
6. post-season participation; whereas much of that revenue would be lost if
7. the drop in classification were to occur due to decreased interest
8. resulting in decreased ticket sales and less money awarded for post-
9. season participation; therefore be it resolved by the Student Senate of
10. the Associated Students of the University of Wyoming that we stand in
11. favor of the University of Wyoming continuing participation in NCAA
12. Division I athletics.
