

SENATE RESOLUTION #1681

Title: College of Agriculture Laboratory Fees

Date: March 12, 1991

Authors: Senators Krakow and Derrisaw

1. WHEREAS, Pg. 3, Section II of the Board of Trustees Minutes from
2. February, state, "Tuition and Mandatory Fees, Regular Academic Year.
3. Authorizes the application of the approved tuition increase to per
4. credit hour assessments." (See page 1 of attached sheets);
5. WHEREAS, Pg. 6, Section II also states, "Tuition and Mandatory Fees,
6. Regular Academic Year. Authorizes the student fee for all College of
7. Agriculture majors approved by the Trustees on December 8, 1990."
8. (See page 2 of attached sheets);
9. WHEREAS, the Board of Trustees approved a "\$25 per semester lab fee
10. for the College of Agriculture students, which will be solely employed
11. for the purchase and maintenance of teaching lab equipment." (See
12. page 3 of attached sheets);
13. WHEREAS, approximately 297 students are enrolled in Agriculture
14. laboratories that are not Agriculture students. (See page 4 of
15. attached sheets);
16. WHEREAS, students who are not Agriculture students may receive credit
17. for the course without paying the required \$25 lab fee for Agriculture
18. students;
19. WHEREAS, these non-Agriculture students are attending the laboratory
20. at the expense of the approximate 300 Agriculture students not
21. currently enrolled in a College of Agriculture laboratory, (See page 4
22. of attached sheets);

23. WHEREAS, it is unacceptable for the College of Agriculture students  
24. that are not enrolled in Agriculture laboratories to be required to  
25. pay the mandatory \$25 lab fee, and that students who are not enrolled  
26. in the College of Agriculture are not required to pay the \$25 lab fee.  
27. THEREFORE, be it resolved that the ASUW supports the elimination of  
28. "a \$25 per semester lab fee for College of Agriculture students," and  
29. the introduction of a \$25 lab fee per semester for each student taking  
30. a College of Agriculture laboratory course. The funds secured from  
31. the fee would remain in the College of Agriculture and be employed  
32. solely for the purchase and maintenance of teaching lab equipment.

Referred to: Academic Affairs

Date of Passage: March 26, 1991 Signed:

Douglas R. Henry  
ASUW Chairperson

"Being enacted on 3/27/91, I do hereby sign my name hereto and  
approve this Senate action."

Ward R. Miller  
ASUW President
