SENATE RESOLUTION #1767

Title: UW Move-Out Policy

Date: February 7, 1994

Authors: Student Housing and Health Committee

Sponsors: Senators Nardi, Ward, Paul, Legerski, and Olson

WHEREAS, the aim of the departments of Housing and Residence Life and Food Service is to provide clean, comfortable, and economical services to students; and

WHEREAS, the departments of Housing and Residence Life and Food Service must not only cover their own costs, but must also meet other financial obligations to the University of Wyoming; and

WHEREAS, the current University of Wyoming Residence Hall/Food Service Contract, which requires a buyout provision of 100% of room and 75% of board, leaves students who are unhappy with their conditions very few options; and

WHEREAS, the departments of Housing and Residence Life and Food Service may not provide the necessary environment for every individual student at UW; and

WHEREAS, the ratio of students that leave the residence halls is consistent year after year; and

WHEREAS, it is not feasible for all students to explore the various living arrangements in Laramie prior to the start of school;

THEREFORE, be it resolved by the Student Senate of the Associated Students of the University of Wyoming, that for a year-long contract the departments of Housing and Residence
Life and Food Service charge 60% of the year's bill in the Fall, and 40% in the Spring, and switch to a $400 liquidated damage fee rather than the current 100% buyout provision.

THEREFORE, be it further resolved by the Student Senate of the Associated Students of the University of Wyoming, that a single semester contract with current buyout provisions be made available to those students who demonstrate that they will not be at the University of Wyoming for more than one semester.
