Title: Increase in ASTEC (Associated Students Technical Services) Billable Rates

Date: September 12, 1996

Authors: Budget & Planning Committee

Sponsors: Senators Anthes, Curry, Donelan, Plemmons, Wilson & Young

WHEREAS, on October 1, 1996, the Federal minimum wage will increase from $4.25 to
$4.75 an hour, and on September 1, 1997, it will further increase to $5.15 an hour; and
WHEREAS, training and specialization has historically led wages for ASTEC employees to be
higher than the minimum wage; and
WHEREAS, recent policy changes negated payment from Recognized Student Organizations
for ASTEC services and resulted in increased student fee support; and
WHEREAS, ASTEC will become more independent from student fees with the proposed
increase in billable rates;

THEREFORE, be it enacted by the Student Senate of the Associated Students of the
University of Wyoming that on July 1, 1997, the billable rate of ASTEC technicians per hour
be raised from $6.00 to $7.00 per hour for Recognized Student Organization events; and
THEREFORE, be it further enacted that the billable rate per hour be raised from $6.00 to
$8.00 per hour for all other events.
