ADDENDUM A

Section 3. The ASUW Student Senate shall include thirty (30) elected Senators. The defeated presidential and vice presidential candidates in the preceding ASUW General Election shall have the opportunity to hold senator-at-large positions. This body shall be constituted in accordance with the following provisions:

- A. Each of the University's seven (7) colleges shall have at least one student senator and;
- B. The remaining twenty-three (23) senators shall be allocated to those colleges with more than one-thirtieth of the total full-fee paying University students. This allocation shall be done in exact relation to the percentage of such students who are enrolled in the college; and
- C. All calculations will be based upon the enrollment in the colleges during the semester prior to the general election.
