

SENATE RESOLUTION #2032

Title: UW Parking Resolution #3

Date: February 12, 2003

Authors: Senator Edwards

Sponsors: Senators Edwards, Praeuner

1. WHEREAS, the current parking program has turned out to be a successful
2. alternative at the University of Wyoming; and
3. WHEREAS, there are still some problems that must be addressed to
4. maximize the use of the parking facilities at the University of Wyoming; and
5. WHEREAS, parking permits are only sold on an annual basis; and
6. WHEREAS, many students graduate in the fall and/or enter the University of
7. Wyoming at the start of the spring semester; and
8. WHEREAS, it is unfair to charge students for an annual permit that they
9. would only be valid for one semester (example: A student entering in the
10. spring would have to buy an annual permit that would expire in the summer.
11. Hence a permit only valid for one semester.).
12. THEREFORE, be it resolved by the Student Senate of the Associated
13. Students of the University of Wyoming that all campus parking permits be
14. sold on an annual as well as a per-semester basis; and
15. THEREFORE, be it further resolved that the permits sold on a per-semester
16. basis be sold at half the price of the annual permit.
