We, the members of the Associated Students of the University of Wyoming (ASUW), in accordance to the ASUW Constitution, ASUW By-laws, and other recognized University Regulations, establish the following Financial Policy as a means to govern the annual budget allocation process and other various financial decisions of the Association. This policy has been created to capture the substantive best practices of allocating resources for the use of the Associated Students, while also advancing the University’s educational mission and promotion of our campus as a free marketplace of ideas.

Section I. Introduction
A. It is the purpose of the ASUW Finance Policy to provide clear policies for the ASUW Student Government in financial management and budget planning. This policy, and other such guidelines set forth by the ASUW, shall be the foundation from which monetary decisions are based in answering the needs of the ASUW membership.
B. The ASUW Finance Policy is governed by University Regulations and directives. Student Activity fees are state funds which must be administered in a manner consistent with the educational mission of the University of Wyoming.
C. The administration of this policy shall be the responsibility of the ASUW Budget and Planning Committee on behalf of the ASUW Government and its membership.
D. Funds allocated to ASUW services and programs shall be administered according to this policy and other University financial policies. The ASUW shall allocate these funds for student programs and activities from these funds that benefit the student population.
E. Seeking the optimum use of ASUW funds, the following criteria shall be considered by both the ASUW Budget and Planning Committee and by the RSO Funding Board when determining the appropriateness and priority of allocations:
   1. Whether or not this is an activity that can be funded by the ASUW under current financial policies.
   2. The number of students being served by the activity.
   3. The general value and scope of the activity.
F. Funds shall be allocated to ASUW sponsored programs with priority given to 1.) the ASUW Government and its services; and 2.) University Recognized Student Organizations.
G. Changes or additions to the ASUW Finance Policy shall require a two-thirds affirmative vote of the ASUW Senate and the approval of the UW Vice President for Administration.

H. From the last day of Spring Semester to the first day of Fall Semester, the ASUW President and Vice President shall have financial authority for ASUW to approve the use of remaining fiscal year budgets. At the first senate meeting of the Fall Semester, the ASUW President and Vice President shall submit an itemized list of such expenditures to the ASUW Senate. The ASUW Business Manager must approve all summer expenditures.
