MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is between the University of Wyoming Dean of
Students Office, herein after referred to as DOS, and the Associated Students of the
University of Wyoming, herein after referred to as ASUW, by and through the ASUW
Student Government. It sets forth the general terms of understanding between the parties in
connection with Student Legal Services, herein after referred to as SLS. The parties agree and
understand as follows:

1. **Purpose:** SLS will be a partnership between the ASUW and DOS. This agreement
   establishes the duties both the ASUW and DOS have in the administration of SLS. SLS
   has historically demonstrated its value on campus as a program that provides legal
   advice, assistance, and information to ASUW fee paying University of Wyoming
   students. The ASUW and DOS recognize the importance of SLS and seek to establish a
   mutual commitment to ensure the future success of the program. This agreement defines
   the commitments ASUW has made to SLS and establishes the responsibilities of the DOS
   in the daily operations of the program.

2. **Description:** SLS offers legal services to all ASUW fee paying University of Wyoming
   students. SLS is funded through the allocation of a portion of the mandatory ASUW fee
   collected each semester from students. Legal consultations provided by SLS are free to
   fee paying students. Administrative fees may be assessed by SLS for the preparation of
   legal documents, such as wills or lease agreements, and notary public services. All legal
   services provided are performed by a fully licensed attorney and all legal consultation
   sessions are in person and confidential.

3. **Scope of Legal Representation:** SLS cannot represent University of Wyoming students
   in court proceedings, but can and does assist in problem resolution through non-litigative
   services. SLS also provides students with information on the common legal difficulties
   encountered by students through brochures and publications available in the SLS Office,
   as well as digital and electronic materials. These materials include information on
   landlord/tenant disputes, debt collection issues, credit issues, personal rights, criminal
   violations, et cetera. SLS may also issue referrals for services not provided.

4. **Restricted Representation:** SLS will be restricted from providing legal assistance to
   students on any legal matter(s) that involve another University of Wyoming student, the
   University of Wyoming, or a Recognized Student Organization, herein after referred to as
   RSO.

5. **Supervision/Oversight:** The DOS shall be responsible for the daily supervision and
