Executives, Students-at-Large, ASUW Programs or Services, and Recognized Student Organizations may also sponsor legislation; these sponsorships, however, are unofficial and do not contribute to the sponsorships needed to steer a piece of legislation. Regardless of their fee-paying student status, members of the Judicial Council may not author or sponsor legislation due to their association. Pro Staff may not sponsor legislation in the interest of avoiding professional bias.
2. Bills and Resolutions must follow the Sole Subject Rule outlined as follows: bills and resolutions must only address one topic in the body and addendums of the bill/resolution. The subject shall be derived from the title of the legislation. A bill/resolution violates the “Sole Subject” Rule if it had a general title and/or its provisions were un-topical, unreasonably topical, or extra-topical. Other changes and comments can be made in the bill/resolution if those changes are reasonably topical to the subject the Bill attempts to address. Any fee-paying student may appeal the decision that any legislation violates the “Sole Subject” Rule to the Judicial Council for review. Legislation passed prior to Senate Bill 2894’s passage shall be exempted from this.
3. Bills and resolutions must be read in no less than two (2) Senate meetings by the ASUW Marshal before passage.
4. Upon referral to a standing committee by the Steering Committee, an ASUW Executive shall advertise the ASUW bill or resolution on at least one social media platform. The advertisement must contain the following information: the name of the bill or resolution, a neutral brief description, the name of the committee to which the bill or resolution has been referred, the name of that committee’s chairperson, and the email address or other contact information of the committee chairperson. If multiple bills or resolutions are referred by the Steering Committee at a single time, one advertisement may be used to advertise multiple bills or resolutions. Appropriate links to all ASUW bills and resolutions should be included in any advertisement.
5. The bill or resolution shall be read the first time by the ASUW Marshal and the ASUW Vice President shall immediately report the committee(s) to which the bill or resolution has been referred by the Steering Committee. There shall be no debate following the first reading.
6. Committee procedures for handling bills, resolutions, hearings, and other committee business shall be determined by Committee Rules and Procedures established in Article VI, Section 2.
7. After being reported out of committee, the ASUW Vice President shall place the bill or resolution on the agenda and it shall be read a second time and recommendations of the committee(s) shall be given by the chairperson(s) of the committee(s) to whom it was assigned. The bill or resolution is now open for debate and subject to amendments. During debate, no Senator may propose any amendment that contradicts or changes the intent of the original

legislation or propose an amendment that would cause the legislation to violate the “Sole Subject” Rule as outlined in Section 6.01, Clause 2 of these Rules and Procedures. Intent of

legislation shall be derived from the title. The title may not be amended after the legislation is submitted.

8. At the end of debate, the bill shall be voted upon. No debate or amendment shall be permitted after the chairperson has put forth the question to the voting membership. The final vote on all ASUW bills and resolutions shall be a roll call vote. The passage of a motion for unanimous consent on the final vote for any ASUW bill or resolution shall qualify as a roll call vote under this section and shall be recorded by the ASUW Marshal as a roll call vote with all senators present at the meeting voting “aye.”
 - A. Only legislation containing multiple addenda shall be eligible for a Motion to Divide the Question.
 - B. After passage of one or more parts of the divided legislation, the ASUW Steering Committee shall be responsible for making all applicable changes to the legislation for the purposes of record keeping.

10. This signed legislation shall be submitted to the ASUW President for their action. If this legislation is signed by the ASUW President, goes into effect without their signature, or their veto is overridden by the ASUW Senate, it shall be entered and kept in a volume of legislation of the ASUW by the Secretary.
11. None of the above rules shall be construed as an abridgment of the right of any senator to move to postpone indefinitely or definitely until any future time.
12. In the case of an emergency, a bill or resolution may be voted on in the meeting of its introduction if the Senate, by a four-fifths (4/5) vote of its members present, shall vote to suspend the rules. (Suspends Article 6, Sections 2, 3, and 4) and resolve itself into Committee of the Whole (as prescribed in the most recent edition of Robert’s Rules of Order.) After such action, the proper committee shall be asked for its recommendation. This recommendation may have been prepared prior to the Senate meeting or the committee may meet in a special session during the Senate meeting if a quorum of the committee is present.
13. Abernathy Clause:
 - A. All roll call votes shall include votes only of Senators present at roll call. Any Senators present at roll call but not responding in roll call votes shall have their votes counted as abstentions. Senators leaving prior to the adjournment of the meeting without permission of the presiding officer, and who, by their leaving, miss a roll call vote, shall have their names removed from future roll call votes of that meeting. Senators leaving with permission of the presiding officer will have their names called at any roll call votes following their return.
14. Any action on a current bill or resolution will override previous Senate action on the same subject matter. Any legislation previously enacted by the ASUW Senate shall remain in full force and effect until such time as the ASUW Senate repeals or amends such prior actions, or it expires of its own accord, except prior actions of the ASUW Senate which shall automatically be considered superseded, if inconsistent with these by-laws.

15. Senators and Ex-Officios may have electronic document readers (i.e. laptops, tablets, etc.) in all ASUW related meetings to view documents pertaining to the meeting's agenda, as long as use of such devices does not become distracting.
16. Bills, resolutions, or any other ASUW document will regularly be distributed to Senators and Ex- Officios in electronic format, unless otherwise requested.

The committee consideration of bills, resolutions, or other legislative acts shall be open to the public, except when a committee is asked to consider matters which fall under executive privilege. Should a committee meeting be closed for executive session, no legislative business or votes shall be recorded until the meeting is reopened to the public. The committee chairperson shall have full discretion to determine when

and where to hold the meeting and how much public notification and/or advertising is necessary to encourage public involvement in the process. The committee chairperson shall also have discretion to determine the process of inviting comments, either written or in person, from University of Wyoming Administration Officials and Employees, the ASUW President, Vice President, Executives, Senators, ASUW Ex-Officios, Recognized Student Organizations (RSOs), and Students.
