

# Small Acreage "Hands-On" Workshop

Thursday,  
March 27, 2008  
5:30 pm—9:00pm

AGENDA

*Small Acreage Issue Team's Mission: To create a culture of stewardship among small acreage land managers by promoting sustainable practices which enhance the ecological, economic, and social aspects of the land and its people.*

## 5:30-6:00 Registration & Introductions

### 6:00-6:45 Water Wise Plants

- Donna Cuin, Horticulturist, Natrona County Cooperative Extension Service (307) 235-9400, [dcuin@natronacounty-wy.gov](mailto:dcuin@natronacounty-wy.gov)
- Jenny Jones, Wyoming Small Acreage Outreach Coordinator, UW Cooperative Extension Service (307) 745-3698 x106, [jsjones@uwo.edu](mailto:jsjones@uwo.edu)

### 7:00 -7:45 The Nuts and Bolts of Weeds

- Brian Connally, Natrona County Weed and Pest (307) 472-5559, [brianwp@alluretech.net](mailto:brianwp@alluretech.net)

### 8:00-8:45 New Age Windbreaks — Rethinking our Rural Windbreaks:

- Tom Heald, Natrona County Cooperative Extension Service (307) 235-9400, [THeald@natronacounty-wy.gov](mailto:THeald@natronacounty-wy.gov)

- Get acquainted with flowering perennials adapted to the Wyoming climate for easy care and beautiful landscaping. Start the spring with successful plantings.
- Learn how to manage the most vicious of our local weeds including cheat-grass. This session will be a great start to reducing weed issues for the entire upcoming season. Spend more time enjoying the summer and less time dealing with weeds. Learn how!
- Learn about the true tree survivors of Wyoming weather. The USDA Experimental Station has the greatest tree story in Wyoming. Learn how to plan a windbreak that can give you relief from our windy landscapes.
