

The logo features the text "Rangeland Soils" in a bold, black, sans-serif font at the top. Below it is a large, stylized yellow ampersand (&). At the bottom, the word "Health" is written in the same bold, black, sans-serif font. The entire logo is centered within a white rectangular box that is set against a background of a vast, open grassland under a cloudy sky.

Rangeland Soils & Health

October 5, 2016
1:00 pm
Reese Ranch,
Shawnee, WY

RSVP and get driving
directions by calling the
Converse County Extension
Office at 358-2417

Have you ever wondered what goes on below ground? The soil is the foundation of the grassland on which our animals graze.

Join friends and neighbors for an interesting afternoon investigating rangeland soil properties and health.

Participants will be able to see the surface- and sub-soil up close. Investigate root systems, learn texturing techniques, discuss responses of soil properties to grazing, and much more!
