### Instructions for Step 5:

- Report all hours from September 2021 - August 2022 for non-residential building construction projects only.

- **Occupations to be listed are for journeyman classification only.**
  - ***“Journeyman” is defined as any worker no longer considered in training who is fully qualified for the trade being considered.***
- Use included supplemental sheets for “occupational codes”.
- Return your completed survey in the enclosed postage paid envelope. Use additional pages if necessary. Excel spreadsheets are acceptable instead of the survey sheet if all the information requested is provided. Please email your completed spreadsheet to [cbea@uwyo.edu](mailto:cbea@uwyo.edu).
