

CEAS Weekly Jobs/Internships/Career Events Bulletin

Updated Oct 24, 2017

Career Preparation Speaker

Friday, October 27 --- 12:10-1:00pm; EN1062

"Getting the Job: Learn Recruiting and Interviewing processes from an HR Insider's Perspectives"

Gain an insider's view toward securing employment by learning tips from HR representatives about the recruiting and interviewing process. **Elizabeth (Liz) Rader and Matt Haigler (both UW alums)** will speak on their experiences of being in the person on the other-side of the interview table. Both work for Halliburton in Houston, TX. Lunch provided while it lasts.

-----JOBS / INTERNSHIPS received via email

Montana-Dakota Utilities has a position open for an Electrical Engineer; to be located in the Sheridan, WY location. **Job Summary:** Responsible for placing safety as #1 priority in day to day work routine for self and others. Responsible for pre-engineering, project coordination, inspection and related design, economic justification and installation of electric distribution and electric transmission systems and other construction related activities.
