CEAS Weekly Jobs/Internships/Career Events Bulletin
December 1, 2017; last bulletin for the fall semester

---

COMPLETE YOUR HANDSHAKE JOB FILE FOR SPRING JOB/INTERNSHIP SEARCHING

Benefits of doing this:

1) Uploading your resume pre-populates many of your profile fields so you don’t have to; saves time
2) Your profile is a 'living resume'; allows employers and career services employees to key-word search for sending invitations to view job notices
3) Your completed profile allows the artificial intelligence of Handshake to work for you by bringing related opportunities to your attention without you doing the searching
4) Make your account ‘viewable’ to employers because those with access could search for candidates matching job qualifications they seek
5) Students with complete accounts are the ONLY ones who will receive targeted email notices of jobs/internships; complete job search accounts indicate interest in knowing about career related opportunities
6) Allows career services employees to send your resume to potential employers when they are in need of applicants

Go to http://www.uwyo.edu/ceas/resources/studentservices/jobs/index.html and click on the blue link in the Handshake box, then “Student Login”. Use your UW username and password; once in the system update your profile, add your resume and unofficial transcript Fall 2017 transcript. If you see positions you are interested in applying to, follow the company’s instructions. Apply to all positions that meet your educational and career goal criteria. Positions/Interviews/Information Sessions/Events change regularly; it is up to you to stay on-top of your own employment goals.

---

Company Information Session

Blue Cross Blue Shield: Information Session
Wednesday, December 6; 4:30pm in the College of Business, BU123
This company is pursuing Computer Science and Computer Engineering graduating seniors (as well as
