

Weekly jobs/internship/career events bulletin from the College of Engineering/Applied Science, Career Services office: March 23.

Wyoming NASA Space Grant Fellowships, Internships, and Grant Opportunities for 2018 can be found at: <http://wyomingspacegrant.org/>

Career Preparation Program-

Unlock the Entrepreneurial Code -- March 28; 12:10-1:00pm EN1062 - lunch provided. Fred Schmechel, WY Technology Business Center, provides insight on how thinking like an entrepreneur is available not just for business owners but also future employees, as well as detailing the support available to UW student entrepreneurs.

City of Laramie Job Fair- April 4, 9:00am-8:30pm at UW Union - Breezeway. They will be hiring for a variety of paid seasonal positions and will be conducting interviews on-site, that day. Positions include mosquito control, parks and recreation, and various others. Go to the Union Breezeway during the times above; the earlier you attend, the better your chances of getting a position before they are all filled.

ON-CAMPUS INTERVIEWS

J. R. Simplot Company interviews will take place on March 26
