

The Data Incubator (a Cornell-funded data science training organization) is looking for Masters, PhDs, and Postdocs for an advanced 8-week fellowship (think data science bootcamp) at New York City, San Francisco Bay Area, Seattle, Boston, and Washington DC.

Program: The Data Incubator is an intensive 8 week fellowship that prepares masters students, PhDs, and postdocs in STEM and social science fields seeking industry careers as data scientists. The program is free for Fellows and supported by sponsorships from hundreds of employers across multiple industries. In response to the overwhelming interest in their earlier sessions, they will be holding another fellowship.

Who Should Apply: Anyone who has already obtained a master's or PhD degree or who is within one year of graduating with a masters or PhD is welcome to apply. Applications from international students are welcome. Everyone else is encouraged to [sign-up for a future session](#).

Locations: In addition to the below in-person locations, they will have a remote *online* session:

- New York City
- San Francisco Bay Area
- Seattle
- Boston
- Washington, DC.

Dates: All sections will be from 2017-09-11 to 2017-11-03.
