

Job Posting Title **IRC7679**
Job Title **Crew Chief**
Organization Name **Survey**
Department Description

Short-Elliott-Hendrickson Inc. (SEH®) is a multidisciplined firm of engineers, architects, planners, and scientists known for our comprehensive technical capabilities and superior client service, which contribute to Building a Better World for All of Us®. We've been in business for more than 85 years, serving public and private clients with evidence of our work in nearly 35 states.

Brief Posting Description

We are looking for a motivated and hardworking Crew Chief Surveyor to join our Lakewood, CO team!

This position will interact with clients and contractors and perform topographic mapping, boundary surveys, and occasional construction staking.

Responsibilities may include:

- Perform intermediate level survey work under general supervision.
- Read and interpret plans and specifications.
- Draft, make computations, and provide other technical assistance on survey office work.
- Operate survey equipment for horizontal and vertical control so that precise control net is established for each project.
- Accurately perform coordinate calculations related to land surveying.
- Be knowledgeable of SEH standards for survey data collection so that plans can be prepared from the survey information.
- Take professional quality field survey notes.
- Use SEH computers for data transfers and radial stake out input to the data collector.

Job Requirements

Required Qualifications:

- Previous experience and working knowledge of Global Positioning Systems (GPS).
- Strong communication and interpersonal skills are vital.
- Must possess a valid Drivers License.
- Ability to work overtime as needed.

- Ability to walk and climb over rough terrain and carry up to 50 pounds and withstand working outside for up to 8-12 hours in varying temperatures.

Preferred Qualifications:

- Minimum of two (2) years of related experience.

How To Apply

For confidential consideration, apply on line or send your resume and salary requirements via fax to 651.490.2138. Please refer to the job number if you choose to fax. <http://www.sehinc.com/careers>; in the search box, put the job title or job number, to find the position.
