

## **Transportation Postdoctoral Researcher**

We are seeking a highly motivated postdoctoral researcher to work at the Wyoming Technology Transfer Center at the University of Wyoming. The ideal candidate will have research experience in the field of transportation engineering. Experience in safety and optimization is desired but other experiences in transportation/pavement will be considered. The successful applicant will be involved in ongoing studies in the center in addition to working on future research proposals. The position includes health insurance as well as retirement benefits. You can submit your cover letter, resume, and names of three references to the following email address:

[khaled@uwyo.edu](mailto:khaled@uwyo.edu)

The position is available immediately but it will be open until filled. Additional information can be obtained by contacting:

*Khaled Ksaibati, Ph.D., P.E.*
