

BS candidates (CVLE or ARCH), expecting to graduate in either May or Aug 2017: Y2Consultants from Jackson, WY would like to receive resumes from you, if you are interested in being considered for any upcoming openings they expect to have.

Y2Consultants is a full service engineering and natural resources management firm whose founders have more than 50 years' experience in their respective fields. Founded in 2010 by Brenda Younkin and Zia Yasrobi, their mission is to serve their clients by providing cost-effective and innovative solutions. If clients need engineering or natural resources services, they find a collaborative, efficient way to complete projects to meet clients needs. (www.Y2Consultants.com)

If interested, send an email expressing your interest, and attach a resume, to Zia@Y2Consultants.com

Deadline to submit a resume to him is Feb 24.
