

## No Tag Class

The No Tag Class is a utility for identifying departments, division, or classes that do not need an item tag such as livestock and horses. When a class is identified as a "no tag class", the setting carries all the way through to State Fair item tags.

## Select No Tag Classes

1. Click Go to > Exhibitors/Items > No Tag Classes. See Figure 1.

## Figure 1. No Tag Classes

- 2. Click the radio button for **Department**, **Division**, or **Class** in the Select area.
- 3. A list of departments displays. Highlight the desired departments.

- 4. If division was selected, highlight the **desired divisions**.
- 5. If class was selected, highlight the **desired classes**.
- 6. Click the **Add Classes** button. Notice that the number of tag classes' count shows the total number of classes that are selected for no tag printing.

## **Delete No Tag Classes**

Individual classes, a group of classes, or all the classes can be removed from the no tag printing list.

1. Click the View/Remove Classes button on the no tag screen. See Figure 2.
