

BS/MS Quick Start Program in Environmental Engineering Checklist

- Fill Out a Quick Start Application/Plan of Study

This application should be submitted at the same time (or very near to) your final undergraduate degree check. Typically, degree checks are completed with 40 to 50 hours remaining in the undergraduate program. The minimum requirements are as follows:

- The completion of at least three core courses in your BS program. See Quick Start Application/Plan of Study for list of core courses in each program.
 - A minimum cumulative GPA of 3.25.
 - Three letters of recommendations (at least two must be from either CAE or CHE faculty at UW).
- Attain Graduate Advisor approval signature (may be different from your undergraduate advisor) on your Quick Start Application/Plan of Study and submit it.
 - CAE Students: Submit application form to Mindy Zweig in EN 3074
 - CHE students: Submit application form to Elyse Johnson in EN 4055.
- Arrange **3 letters of recommendation** (at least two must be from either CAE or CHE faculty at UW) to be directly sent to either Mindy (mzweg@uwyo.edu) or Elyse (ejohns33@uwyo.edu).
- Upon receiving Department approval (you will receive notice from Mindy or Elyse):
 - You will not have to take the GRE: it will be waived.
 - You must complete the “Change of Major” form found at: http://www.uwyo.edu/registrar/students/forms_and_petitions.html
If you have questions about the form, ask either Mindy or Elyse.
 - You must submit the completed “Change of Major” form to Mindy or Elyse.

*****Please note that the \$50 application fee is waived for Quick Start Students*****
