

Join the University of Wyoming's College of Engineering for the *Inspire Ingenuity Conference* during August 2nd, 3rd, and 4th, 2022. The Construction Management faculty look forward to providing hands-on training to Wyoming's high school instructors that can be applied directly to their classrooms. This training takes place in the new Engineering Education and Research Building (EERB) room 251.

Construction High School Training

UNIVERSITY
