

Join the University of Wyoming's College of Engineering at this year's WACTE conference in Powell. The Construction Management faculty look forward to providing hands-on training to Wyoming's high school instructors that can be applied directly to their classrooms. The applied training will include Lean Construction Simulation and the introduction to UW directed construction high school training modules.

To register for the WACTE Summer Conference, scan QR code or visit: <https://wacte.com/>

**Participants will receive a \$100 Personal Stipend.**
