### Course Set-up and Zoom Information:

This course will function like a face-to-face class. We will:

- Have live lectures via Zoom during course times (T/R 1:20-2:35 MT)
- Have synchronous (live) discussions and activities on Zoom
- NOT be meeting in the classroom for safety
- Use the same Zoom link for every class period. This link can be found under the Zoom section in WyoCourses

Due to the large class size, students will be divided into TWO groups:

- Group One meets live for lecture and discussion via Zoom every Tuesday
- Group Two meets live for lecture and discussion via Zoom every Thursday
- You will be notified of your group by the first day of classes and this information will also be posted on WyoCourses.

Lectures will be recorded for each class period and posted on WyoCourses so that in the day your group is not meeting live via Zoom you will have access to the lecture from that day. This will allow for smaller group discussion and flexibility in the course. Additionally, if you are sick and are unable to make your Zoom session, you will also have access to the lectures you missed. This course is designed to be as flexible as possible during this difficult time.

### Course Requirements:

Your grade for the course will be based on 10 quizzes and three writing assignments.

### Weekly Quiz information:

Each chapter will have a quiz (except chapter 1) containing 15 multiple choice questions, worth 30 points each. Quizzes will be located in WyoCourses under the quizzes link on the left-hand side of the course page and in that week's module. Quizzes will cover the material from that week's chapter and are not cumulative. **Quizzes will open on Thursdays at 6:00PM MT and close on Sundays at 11:59 PM MT.** Students are strongly advised to not wait until the last minute to complete quizzes.

- Once a quiz is opened, it must be completed.
- Students will have 20 minutes to complete each quiz. The quiz will close after the allotted time has expired.
