

A progressive change
grassroots in our
organization that makes real **community**

Right now,

we are on the lookout for
passionate, forward-thinking people who want
to get hands-on experience with community
organizing and learn skills that will last a lifetime.

Forward Wyoming
Grassroots Institute

Our program

Fellows will graduate with real-world skills, a community of action-oriented people, and an excellent understanding of how to make change happen now!

Topics include

- Wyoming's Political Landscape
- Mobilizing Theory and DIY Campaign Strategy
- Digital Engagement and New Media
- Public Opinion and Issue Framing
- Direct Voter Contact
- Tools for Taking Activism into the World
- Guest Speakers from Across the Grassroots Spectrum
