Public Speaking

When Lucas Tutors
Sundays, 6-10pm

Location: Coe Library – Please check-in at the front desk on the main floor with your W#. Tutoring is FREE for all UW students.

See our full tutoring schedule!

About Lucas:

I am senior studying Political Science with aspirations of graduate school here at UW in Political Science International Relations. I am fascinated by the interactions between countries and hope to study and learn more about the politics of East and Southeast Asia.

I was born near Seattle, Washington. I grew up and attended high school in Washington state, after college I spent two years living and traveling within the Philippines. My experiences traveling shaped how I view the world today and what I want my future to look like.

I believe life is a gift and fitness is a way to take life to a higher level! I love physical activity and trying new things. I used to have reservations about what was possible but learning to push myself and appreciate hard work has led me to believe that anything is possible. If the mind believes it, the body is going to find a way to make it happen. Activities I enjoy doing are boating, fishing, reading about history (Wikipedia is awesome), reading about far off places (wikitravel too!), and spending time with family.
