Multicultural Student Resources: Gender

The Office of Diversity, Equity, and Inclusion is actively curating a resource list for the University of Wyoming. We invite members of the Laramie community, faculty, staff, and students to [contact us](#) about new events, organizations, projects, and initiatives that we can feature on our resource list. This resource list aims to help spread knowledge about diverse initiatives across the greater University of Wyoming community and highlight unique happenings on and off campus.

Please note that being featured on the website does not guarantee an endorsement by the University or the greater community.
